DISCLAIMER - PLEASE READ

EACH ITEM IS SOLD "AS IS," AND ALL SALES ARE FINAL. The Organization (The Parent Connection and its volunteers, staff, and sponsors) and Auctioneer assume no liabilities resulting from the purchase and/or use of auction items and are not responsible for any errors or omissions. Items are sold with no guarantees or opinion as to condition, representation, or warranties. Please make every effort to use certificates by the indicated expiration date. Thank you for your understanding.

SILENT AUCTION RULES

Monetary values have been supplied by the donors. Although props are included in the display of some auction items, they are not included in the listed value of the item or package unless noted.

To place a bid, write your bid number next to the desired bid amount on the bid sheet. Please follow instructions on the bid sheets concerning minimum bids and minimum increments. Bids made in less than the minimum increment will be invalid.

No new bids will be accepted once a silent auction section has been closed. Please do not ask any of the volunteers if you have won an item. When checking out, please present your program showing your bid number to the cashier to purchase your items.

Leave all auction items on the tables. A runner will retrieve your items and have them ready at checkout. Once you have paid for them, present your receipt to the runner.

Express check out is available for those interested in a faster check out process. Guests interested in express check out provide their credit card information at registration. At the end of the event, express guests may go to express check out and collect their items. Pam Nagata, The Parent Connection Coordinator, will personally destroy any express check out registration forms from guests who did not win their bid upon items.

We accept Cash, Checks (made payable to Parent Connection), and Visa, MasterCard, Discover and American Express credit cards.
